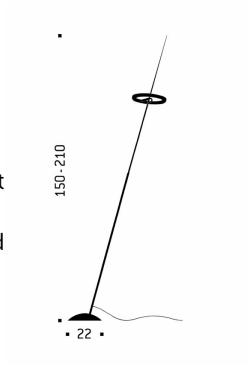
Ringelpiez
INGO MAURER UND TEAM 2016

The aluminium ring with integrated dimmable LEDs can be fixed as up- or downlight. Without tools, you can adjust the angle of the ring, the rod or even change the orientation of the LEDs. The rod in carbon fiber can be fixed vertically or at an angle of 15° in the base. There is no visual noise around the slender pointed rod, the cable is inside. Even so, the rod is extendable from 150 to 210 cm. Transformer with slide control. Dimmable. The ring with LEDs is only available in black.



Light source
LED, 2700 K, 1.940 lm, CRI >90, 23 W, EEC G (A-G). With built-in LEDs. The light source is not exchangeable by the user.

Technical data
For 100 - 240 volts, with continuously variable transformer-dimmer.

Colours
The ring with LEDs comes in black. The lampshade Frivoloso is separately available in green or white.
