

Super Luzy'z
INGO MAURER 2018

Blue gloves with frosted bulbs at the finger tips. Surprising and unconventional. Controversial, free of restrained thinking and the boredom of the ubiquitous repetitive designs. Material: Plastic, metal, low-voltage lamps.

Light source
25 x 1,5 W LED, 25 x 100 lm, 2700 K, 15000 h, CRI 85, EEC A+, E27.

Technical data
LED version for 220 – 240 V or 110 – 130 volts. g

More info
Manufacture upon request

Colours
Each glove is hand painted with a special blue colour.
