

Luzy on the Wall
INGO MAURER 2018

Blue gloves with frosted bulbs at the finger tips. Surprising and unconventional. Controversial, free of restrained thinking and the boredom of the ubiquitous repetitive designs. Material: Plastic, metal, low-voltage lamps.

Light source
5 x 1,5 W LED, 650 lm, 2700 K, 20000 h, CRI >90, EEC G (A-G), E27.

Technical data
LED version only for 220 – 240 V or 110 – 130 V.

More info
Available since end of August 2018

Colours
Each glove is hand painted with a special blue colour. Luzy on the Wall is made with left and right gloves.
